

IN MEMORIAM

Timothy M. Coughtrie
Class of 1970

It is with deep and profound regret that we mourn the death of Brother Tim Coughtrie'70. Tim died at home, last Thursday evening, July 31, 1997. As many Brothers are aware, Tim was suffering from cancer.

Tim is survived by his mom, wife Kathy and young daughter Sarah.

It is said that so long as one remains, in our minds and our hearts, and is not forgotten, that person endures. Tim will live on as we best knew him: Jesuitically sharp; philosophically expansive; spontaneously bold; and fervently engaged in robust and raucous laughter. His imprint as a fraternity Brother penetrates deeply and will always endure.

Rest among the stars, Brother.
